

RUMORE

Words and Music by John Philipps ©.8 2016.3

Rumore, Rumore, Rumore...

Rumore, propaganda, disinformation
Who do we listen to, who do we listen to?

Rumore, propaganda, terrorization
Who do we listen to, who do we listen to?
Rumore, propaganda, global lobotomization
Who do we listen to, who do we listen to?

Crowd and mass media
Bling bling and star mania
Who do we listen to, who do we listen to?

VIP and paparazzi
Rumore e pettegolezzi
Who do we listen to, who do we listen to?

A head full of beers and tears
A heart full of stress and fears
Who do we listen to, who do we listen to?

Rumore, propaganda, disinformation
Who do we listen to, who do we listen to?
Rumore, propaganda, terrorization
Who do we listen to, who do we listen to?
Rumore, propaganda, global lobotomization
Who do we listen to, who do we listen to?

Strange financial scandals
Hypothetical Spanish castles
Who do we listen to, who do we listen to?

Mac OS or Windows
The updates' tyranny of modern heroes
Who do we listen to, who do we listen to?

Gurus and prêchi-prêcha
Teachers and bla-bla-bla
Who do we listen to, who do we listen to?

Zorro or sergeant Garcia
Science or intelligentsia
Who do we listen to, who do we listen to?

Paranormal manifestations
Angels and unicorns
Who do we listen to, who do we listen to?

Saltarello o tarantella
Amore e dolce vita
Who do we listen to, who do we listen to?

Rumore, propaganda, disinformation
Who do we listen to, who do we listen to?
Rumore, propaganda, terrorization
Who do we listen to, who do we listen to?
Rumore, propaganda, global lobotomization
Who do we listen to, who do we listen to?

What if, instead of all above
I choose joy, peace and love
Who do we listen to, who do we listen to?

What if, instead of all above
I choose joy, peace and love
Who do we listen to, who do we listen to?

What if, instead of all above
I choose joy, peace and love
Who do we listen to, who do we listen to?

Rumore, Rumore, Rumore, Rumore
